---

### Experience

---

#### Miles Technologies / Software Developer

FEBRUARY 2019 - JUNE 2020, 100 Mt Holly Bypass, Lumberton, NJ 08048

Developing software to help businesses accomplish more. Developing new and innovative software and working on production systems for existing customers. Mainly using PHP with Laravel, and VueJS & Angular respectively. I also am part of our open source initiative where I am working to push for OSS to become a partial focus of the professional developer. I perform code-reviews, error and issue investigation, new development and feature updates for existing systems.

#### RunSignUp / Software Developer

AUGUST 2016 - DECEMBER 2017, 300 Mill St, Moorestown, NJ 08057 STE 200

Selected for an internship position through the Gateway to Careers class during my senior year of high school. Later transitioned into a full

and then part-time paid employee. Trained under and worked with senior software developers closely to push meaningful changes to the production environment. Whilst learning programming paradigms and large-scale application (web) development.

---

### **Frantech Solutions / Public Relations Operator and System Administrator**

JULY 2014 - MARCH 2016, 101 Possumtown Rd, Piscataway Township, NJ 08854

Assisted customers and future clients within IRC and E-Mail correspondence, developed game-server-hosting operations on dedicated server hardware, designed and implemented management panel patterns, and observed network security and scalability procedures.

---

## **Education**

---

### **Gloucester County Fire Academy (RCGC) / Fire Science/Fire-Fighting**

2017 - 2018, 200 Shady Lane Rd, Clarksboro, NJ 08020

I completed my Fire I program ranking first in my class at Gloucester County Fire Academy. I received the Practical Skills Excellence award. I also have obtained a number of certifications from the class; ranging from HazMat to ICS.

### **Gateway Regional High School / General Studies (HS Diploma)**

2013 - 2017, 775 Tanyard Road, Woodbury Heights, NJ 08096

Earned my high school diploma. Extracurricular activities and noteworthy classes: cross country, wrestling, track, Capstone, AP Computer Science, and Gateway to Careers.

---

## **Awards**

---

### **Eagle Scout**

MARCH 2017, Boy Scouts of America

I have earned the Boy Scouts of America's highest honor, Eagle Scout. I carried out an extensive project for my local Fire Department. I lead over 25 volunteers and sourced many resources (donations including material and expertise for the project. I developed a thorough plan and successfully executed the plan. Project packet is available upon request.

### **Xerox Innovation Award**

MARCH 2016, Gateway Regional High School & Xerox Corporation

Awarded to me because of my involvement and influence with bringing a computer science curriculum to Gateway Regional High School, and my TechEd (Capstone) club / class impact.
